

CONTAINER/PALLET TRANSPORTER
LOWER DECK LOADER

LAM 3500 DP/-8

7800 LBS CAPACITY
(3500 KG)

Driving New Value, **Moving** the World.

> Rubber wheels modules

> Easy transportation

> Simplified electrical system

LAM 3500 DP/-8

CONTAINER/PALLET TRANSPORTER
LOWER DECK LOADER

main features

Chainless load transfer system

Short turning radius

Engine mounted on hydraulic pull-out cradle

Bridge titling capability

Easy emergency system

Hydrostatic brake, as standard

three versions

M8 for rear loading only

RF8 for rear loading and container rotation capability

R8 for rear and side loading and container rotation capability

CIMC Air Marrel SAS
